ASHP Foundation Announces 2017 Pharmacy Leadership Institute Participants

Forty-one pharmacists learned cutting-edge business principles to apply to pharmacy practice

BETHESDA, MD (August 11, 2017) -- The ASHP Research and Education Foundation selected 41 pharmacists to participate in the Pharmacy Leadership Institute which took place July 9 – July 14. The Institute is conducted by Boston University Questrom School of Business, sponsored by Baxter, in cooperation with the ASHP Research and Education Foundation's Center for Health-System Pharmacy Leadership. Highly acclaimed tenured professors at Boston University's Questrom School of Business broadened participants' business skills and managerial versatility through relevant curriculum, high-quality instruction, and peer interaction. Institute faculty will continue to mentor participants in the months to come, offering guidance as they develop mini-projects designed to advance pharmacy practice and impact patient outcomes at their organizations.

About the ASHP Foundation

The ASHP Research and Education Foundation (www.ashpfoundation.org) was established in 1968 by ASHP (www.ashp.org) as a nonprofit, tax-exempt organization. As the philanthropic arm of ASHP, our vision is that patient outcomes improve because of the leadership and clinical skills of pharmacists who, as vital members of the healthcare team, are accountable for safe and effective medication use. Our mission is to improve the health and well-being of patients in health systems through appropriate, safe, and effective medication use.
